### COVID-19 Guidelines

CV-1 CYC is able to hold events in Portland Harbor under permits from the USCG and the Portland Harbor Master. The Harbor Master has made it clear that he can not force people to wear a face covering (mask) while boating. But he can, and will pull our permit to race if he receives any complaints about racers not wearing masks as he can revoke CYC's permit for any reason at any time.

CYC will not force racers to wear masks while racing but understand that by not doing so will put our permits to race in jeopardy for future events. So in short we ask races to wear a mask while on the water so we can continue racing.
