All marks will be colored inflatable marks or orange balls.

Offset Mark: At the discretion of the Race Committee, an offset mark may be set in conjunction with the windward mark. The offset mark will be placed at a right angle to the weather leg. Boats shall pass the windward mark to port and then pass the offset mark to port. The offset mark must be honored at each rounding of mark 1.

Leeward Gate: For course A, or Course A 2, at the discretion of the Race Committee, a leeward gate may be substituted for the leeward mark. 7. CHECKING IN

Before the warning signal of her first race, each boat shall sail past the Race Committee signal boat, preferably on starboard tack, and hail her sail number until acknowledged by the Race Committee repeating the boat's sail number.

A boat failing to do so may receive a 20% scoring penalty for the first race in which it completes on that day, as described in Rule 44.3(c). This changes A4, A5.

Races will be started using the **3 minute** starting sequence.

The first start is scheduled for 2:00pm for both Saturday regattas for the 2024 season.

For the first and subsequent race(s) of the day, or after a postponement, a short series of signals will be sounded before the warning signal is made.

One race will constitute a regatta. If more than 3 races are sailed, a single throw-out will be available.

Wind limits – No races will be started if the sustained wind is over 23 MPH (20kts) or under 5 MPH (~4 kts), as determined by the Race Committee. Each Skipper is solely responsible for determining safe wind conditions for his or her boat and crew.

The starting line will be between a staff displaying an orange flag on the Race Committee signal boat and an inflatable mark or flag at the port end of the starting line.

Code flag R may be flown to indicate that additional races will be held.
